All members of the league, which include women in Torrance and the entire South Bay area, are urged to come and bring guests to this "miniature convention."

The most important function of the meeting is to get member opinion on the work of the young league up to date. This will give members an opportunity to express themselves on such points as: does progress so far satisfy the needs of members; how many general meetings should be held, and how many public meetings; what are the best features of the local league and what needs improvement?

Business to be transacted includes election of officers and the adoption of a local study for the coming year. There will also be progress reports from board members, committee chairmen and special study chairmen.

After formal business is over the meeting will continue at smaller tables for lunch and "buzz" sessions to resolve league questions. For further information and reservations, call Mrs. Robert Christensen.
